

# Construction Notice

## Fairbanks Cushman Street Bridge

### Cushman Bridge Closure begins Sunday, May 1<sup>st</sup>, 2022

- For this project, we will be repairing the Cushman Bridge deck and adding additional ADA access in the area.
- Work includes removal and replacement of existing deck and sidewalks on the Cushman Bridge.
- Work is expected to last through October 2022
- Bridge closure in effect for approximately 6 weeks.

### Traffic Impacts

- The Cushman Bridge will be closed between 1<sup>st</sup> Ave and Illinois St.
- The detour route for the bridge closure will be Wendell Bridge.

### Pedestrian Information

- Pedestrians will be detoured onto the Barnette Street Bridge on the West side of Cushman, or along the pedestrian bridge on the east side of Cushman.
- All business access will remain open throughout construction and, if applicable, follow business access signs through the construction zone.
